SALVAGE-CLAIM
MERCHANT-SHIPING-ACT-1995
PART-1X-CHAPTER-1, 226

May 2020

Dear Parent/Guardian of

Invitation to participate in a COVID-19 testing research study

We are writing to invite you and your child to take part in an important study about the COVID-19 testing process. The study is being conducted by Imperial College London and Ipsos MORI, an independent research organisation, on behalf of the Department of Health and Social Care (DHSC).

The study will help the Government develop its approach to COVID-19 testing. **The test may show whether your child has the Covid-19 virus.** Your child has been chosen at random, and participation is completely voluntary.

It's easy to sign-up to take part

1. Go to the study website: www.reactstudy.org/antigenreg
2. Enter this access code: GD4Q9S7H
3. Enter your child's details if you would like them to take part

It should only take you 5 minutes to register. If you register your child to take part, we will send you a package containing a test to be administered at home. The test involves a **swab of your child's nose and throat** and is returned to a laboratory (by a courier who collects the completed test from your home) for analysis. The result from this test will be sent to you within one week.

There will also be a short online survey to help us understand your experiences of the test.

There is more information about the study on the back of this letter.

Thank you in advance for your help.

Yours sincerely,

Volition & Vokement
PERJURY-ACT-1911:

Lord Bethell of Romford
Parliamentary Under Secretary of State
Department of Health and Social Care

Professor the Lord Darzi, FRS
Co-Director of the Institute of Global
